INRY
a **cprime** company

The Partner for HRSD, SPM, and All AI-Ready ServiceNow Delivery.

AI-Ready Execution.
Human-Centered Impact.

INRY, a Cprime Company is the partner ServiceNow reps trust to deliver what others can't: high-velocity HRSD and SPM implementations and advisory services that drive adoption, accelerate outcomes, and unlock long-term value. We fuse deep platform expertise across HRSD, SPM, ITSM, and CRM with change enablement and AI readiness—so people, processes, and platforms evolve together.

WHY SERVICENOW REPS CALL US FIRST

We're the HRSD experts.
INRY co-built ServiceNow's Employee Experience suite, and we've implemented it hundreds of times in complex environments like government and healthcare.

We make SPM stick.
Strategic Portfolio Management requires more than tooling. We align leadership, data, and delivery to turn strategy into flow.

We close AI-ready deals.
With 6 agents published in the ServiceNow Store, 12 agents in flight, and 50%+ AI-certified consultants, we help clients build toward AI-native operations.

We're multi-dimensional. Whether it's ITSM, CRM, or employee workflows, we embed agents and orchestration logic that prepare clients for AI-native performance.

We're proven at scale.
1,000+ certifications. 500+ projects. 200+ customers. 4.8+ CSAT. Trusted by Best Buy, Aon, General Mills, Memorial Health, and so many more.

WHERE WE DELIVER FASTEST WINS

Most projects go live within 12 weeks!

HR Service Delivery (HRSD)
Public sector, healthcare, and manufacturing clients choose us to modernize onboarding, boost adoption, and automate case resolution.

Strategic Portfolio Management (SPM)
Financial services and tech clients rely on us to prioritize work that matters, rewire governance, and accelerate value flow.

And we're not limited to just two solutions: HPM, CRM, ITSM and more.

WHY CUSTOMERS COME BACK

✓ **Change that lasts.**
We build adoption into every implementation.

✓ **Built for what's next.**
We architect scalable solutions that unlock AI-driven orchestration across the enterprise.

✓ **Full-platform fluency.**
Our track record spans ITSM, CRM, and AI architecture—ensuring every implementation aligns with enterprise goals.

✓ **End-to-end support.**
From roadmaps to rollouts to post-go-live optimization.

✓ **Industry fit.**
Offerings tailored for healthcare, finance, public sector, and more.
